**Sub: Merger of Standalone Crèches with nearest AWCs and functioning as Anganwadi cum Crèche Centers (AWCCs)**

The Ministry of Women & Child Development, Govt. of India is making sustainable efforts for empowering women and increases their participation in the workforces, through initiatives under Mission Shakti. A key initiative is to support mothers, who face challenges in participating in the workforce, due to the childcare burden that falls entirely on them. The availability of quality crèche facilities is, therefore, essential for improving women's participation in workforce.

The Ministry is already operating a widespread network of Anganwadi Centers across the country supporting pregnant women, lactating mothers and infants and children up to 6 years of age. Given the need of Crèche facilities, the Ministry has taken the proactive step of supporting working women, by upgrading many of Anganwadis to Anganwadi cum Crèches as a part of *Palna Scheme* under Mission Shakti. These Anganwadi cum Crèches will provide care and nutrition support to the children up to 6 years of age during working hours, enabling mothers to go to work.

The objective of Anganwadi cum Crèches under Palna is to address the need for quality childcare facilities by providing a safe and secure environment for nutrition, health and cognitive development of children. The Ministry has extended the services of childcare through Anganwadi cum Crèches. This will ensure whole day childcare support ensuring their well-being in a safe and secure environment. The Anganwadi cum Crèches initiative aims to increase the women workforce participation in the economy and support the working mothers to pursue their career.

In view of above, as per direction of the Ministry of Women & Child Development, Govt. of India, the Education (Social Welfare & Social Education) Department, Govt. of Tripura has decided that following **40 (Forty) Nos.** of functional **Standalone crèches** will be merged with the nearest listed AWCs and will be forming the **Anganwadi Cum Crèches (AWCC) w.e.f 20-09-2024** in second phase. These AWCCs will be directly under the control of Social Welfare & Social Education Department, Govt. of Tripura with the funding pattern 90:10 for Govt. of India and State Govt. respectively. Implementation and involvement of NGOs will not be undertaken.
